Georgetown Regents Hall
Georgetown Regents Hall

Teaching lab with glass wall to hallway

Microscope project room off of teaching lab so students can work on semester-long projects for the course. It is accessed via a keyed entry door.
Georgetown Regents Hall

Shared research space (4 faculty) note movable benches and cabinets for reconfiguration
Under stairs study space. Furniture type was selected with input from Student Affairs office and architects.
Georgetown Regents Hall

Kitchen at end of hallway for faculty, copy machine/office printer there because they forgot to design a specific place but it works well because forces interaction
