ABOUT THE PROGRAM:

The Children's Justice Center is a home-like facility that serves children who have been physically or sexually abused. The CJC is designed to help children feel safe and comfortable while they and their parents meet with child abuse investigators. The CJC coordinates with involved agencies to ensure that cases are approached with the child's best interest in mind and to increase the effectiveness of protecting children. The CJC strives to reduce trauma and to help children and their families recover from a difficult experience.

RESPONSIBILITIES OF THE POSITION:

1. Make follow-up calls to parents to check on the wellbeing of the child victim.
2. Interact with the professionals involved in child abuse investigations.
3. Assist CJC staff as needed with special projects and light office work.
4. Interact with children while they await services at the CJC.
5. Promote victim resources and help make them available to clients.
6. Assist clinical staff in advocating for client needs
