In this emphasis, students will engage with environmental studies from an interdisciplinary perspective using social and natural sciences in core classes before selecting online electives that most appeal to their particular interests. The culmination of their degree will be a capstone project focused on a particular Sustainability Initiative.
REQUIRED CLASSES

Pre-requisites for ENVST upper division courses

ENVST 2000 First Year Seminar
ENVST 2050 Introduction to Environmental Science (SF)
ENVST 2100 Introduction to Environmental and Sustainability Studies (BF)

ENVST upper division courses

ENVST 3210 Global Climate Change (SF)
*ENVST 3364 Challenges to Global Sustainability (IR)
